Please review the animals in our collection (list available at redriverzoo.org) and then list three species that you are interested in working with and why.

Education interns will work with the program animal collection completing daily animal care and assist with program delivery including classes, animal encounters (on and off site), conduct guided tours of the Zoo, and delivery of interpretive experiences. Interns will also be involved with the behind-the-scenes program development and conservation messaging in programs and around the zoo. Education Internship position is focused on both working with the animals and interacting with the public. If interested, please check the corresponding box and list relevant experience below.
