ABOUT BLACK POINT ESTATE

Black Point, Lake Geneva's most preserved estate dating back to 1888, is available for private tours! Enjoy a look inside the estate plus hear the interesting history of Beer Baron Conrad Seipp. [Visit Black Point Estate's official website.](#)

Lake Geneva Cruise Line is honored to be the sole transportation to and from the estate. You and your guests will arrive in style via one of our beautiful boats just as the millionaires did over one hundred years ago.

Black Point is now owned and operated by the State of Wisconsin as a historical museum. With this designation there is a conditional use permit issued by the township which requires:

1. No more than 47 guests on property at a time
2. Each event is limited to a maximum of 1 ½ hours
3. All events be complete by 6:00 pm

The home will be open seven days a week from May to October.
